10 Jahre IRONMAN-Europe in Roth

ERGEBNISLISTE 1997

Nur die Besten tragen das gelbe Trikot.

Am 13. Juli sieht Roth wieder gelb. Denn zu den rund 2700 stahlharten Teilnehmern, die sich zum 10jährigen Jubiläum des Ironman Europe treffen, gehört auch das 32köpfige Postteam.

Schonungsloses Training im täglichen Postdienst hat unsere Jungs abgehärtet. Für 3800 Meter Schwimmen in den reißenden Strömungen des Rhein-Main-Donau-Kanals, 180 Kilometer Radfahren und einen kräftezehrenden Marathon als Krönung.

Und dieses Jahr geht es um mehr als nur die Ehre: Die 190 besten Triathleten in den einzelnen Altersklassen sehen sich beim Ironman auf Hawaii wieder. Drum wünschen wir allen Teilnehmern viel Erfolg. Und der Konkurrenz ein wenig Verständnis dafür, daß die gelben Jungs und Mädels so verdammt schnell sind. Es ist halt ihr Job.

Wir werden jeden Tag besser.

Eine Sternstunde des Triathlon

„Wieder war Faszination Triathlon in Roth vor über 120000 Zuschauern ein Rennen der Superlative“ schrieb die Frankfurter Allgemeine Zeitung (FAZ) in ihrer Ausgabe vom 14. Juli 1997. FAZ-Redakteur Ralf Weitbrecht meint damit zuallererst die Weltklasseleistungen der vier Super-Triathleten, die beim Jubiläums-IRONMAN von Roth unter der Achtstunden-Marke blieben und damit Triathlongeschichte schrieben. Der "Jahrhundert-Triathlon von Roth" wird vor allem deswegen in Erinnerung bleiben, weil die großartige Leistung von Vorjahresgewinner Lothar Leder vom dies-jährigen Roth-Champion, Langdistanz-Weltmeister und Hawaii-Sieger Luc van Lierde fast um sieben Minuten unterboten wurde!

7:50:27 sind in Zukunft das Maß aller Dinge im Triathlon, und eine Wiederholung wird wohl lange auf sich warten lassen. Im Gefolge dieser Traumzeit darf nicht untergehen, daß Jürgen Zäck, Lothar Leder und Thomas Hellriegel ebenfalls zu den Siegern zählen, indem jeder auf seine Weise einen wichtigen Beitrag zum Verlauf des Jahrhundert-Rennens beisteuerte: Jürgen Zäck, hochmotiviert und konzentriert vor der schwierigsten Aufgabe seiner Sportlerlaufbahn war zu keiner Zeit ein Verlierer; Thomas Hellriegel, der mit seinem phantastischen Fahrradsplit von 4:14:45 gemeinsam mit Zäck das Rennen vorwärts trieb, deutlich unter der Achtstunden-Marke blieb und trotzdem "nur" Vierter wurde, oder Lothar Leder, dem Roth seit dem letzten Jahr viel zu verdanken hat, der seine Vorjahreszeit noch einmal um eine halbe Minute verbesserte. Damit ist die Medienfrage des letzten Jahres nach einer möglichen Steigerung in Roth wohl ausreichend beantwortet....

Das Ausnahmerennen war aber auch geprägt vom Feld der übrigen Starterinnen und Starter, aus insgesamt 2.704 Anmeldungen, die Roth nach dem Einlauf der Besten zu dem machen, was es ist, nämlich zu einer Hochburg des Triathlon. Es war ein großartiges Triathlon-Sportfest mit einem Räderwerk der Präzision im Helferbereich, und es war einmal mehr eine Inszenierung, an der vor allem die grenzenlose Begeisterung der vielen Zuschauer ein nicht mehr wegzudenkender Faktor ist. Daß McDonald's und seine Franchisenehmer diesen außergewöhnlichen IRONMAN zum Anlaß nahmen an die Mc Donald's Kinderhilfe eine ungewöhnliche Summe von DM 500 000,- zu spenden ist gewissermaßen das Sahnehäubchen obenauf. Das alles zusammen ist Triathlon in Roth, unverwechselbar und beinahe einmalig. Vielen Dank an alle, die mitgemacht haben, ich glaube, wir alle zusammen erlebten eine Sternstunde des Triathlon, an der wir gerne Gastgeber waren.

A moment of glory in Triathlon

„The Fascination Triathlon in Roth was again a race of the superlative with over 120,000 spectators“ these words were written in the Frankfurter Allgemeine Zeitung (FAZ) on the 14th of July 1997. FAZ-Editor, Ralf Weitbrecht believes however, that in first place this speaks of the world class performances achieved by the four Super Triathletes who crossed the finish line at the Jubilee IRONMAN in Roth under 8 hours and wrote Triathlon history. The Triathlon of the Century in Roth will be remembered, mainly because the performance of last year's winner, Lothar Leder, was beaten by this year's Roth champion, long distance world champion and Hawaii winner Luc van Lierde by 7 minutes!

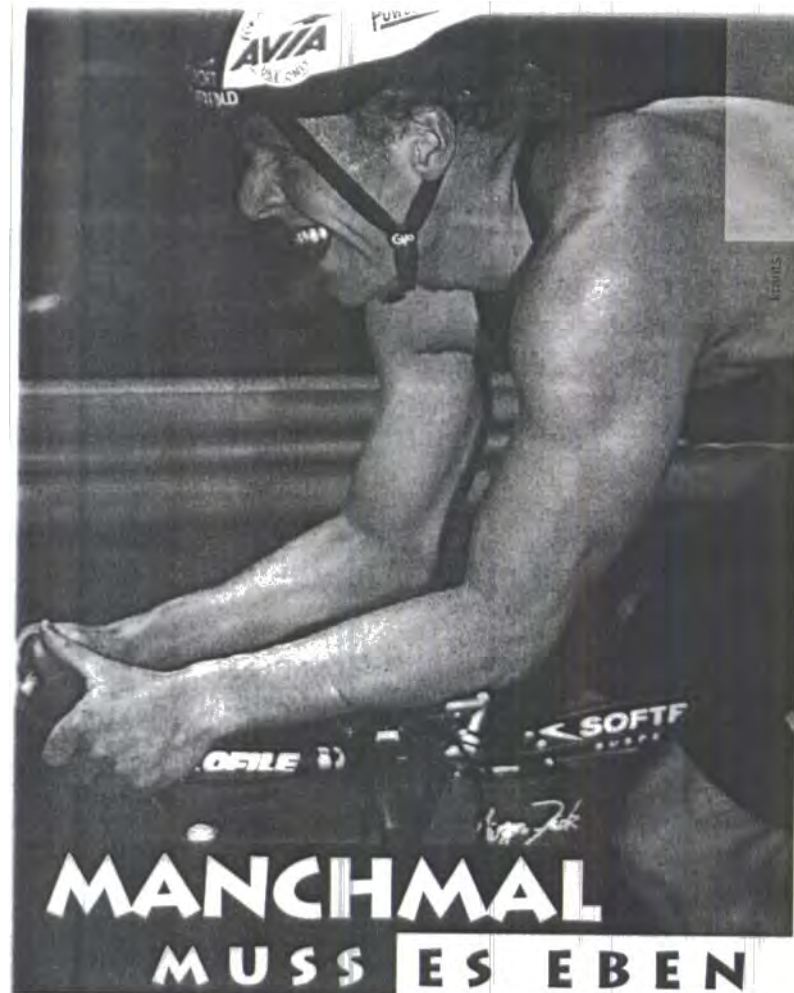

7:50:27 will be the time in the future that sets the measure of all things to come in Triathlon history, and it will take a long time to repeat this achievement. This dream time was followed and should not be forgotten, by Jürgen Zäck, Lothar Leder and Thomas Hellriegel, who also count to the winner's circle. Each and everyone contributed his own personal effort to the Race of the Century. Jürgen Zäck who was highly motivated and concentrated on the most difficult challenge in his Sport career, was by no means a loser. Thomas Hellriegel, who with his fantastic bike split of 4:14:45 together with Zäck gave the race a forwards push, clearly stayed under the eight-hour mark, and still only achieved fourth place. Even Lothar Leder, who has Roth a lot to be thankful for, was able to better his time from last year by a half a minute. The questions from the media regarding an increase in performance compared to last year's race can be answered in detail.

This exceptional race also left an impression by all the other starters out of, a total from 2,704 applicants, who after waiting for the best to start, made Triathlon what it's supposed to be, namely a „stronghold“. It was a spectacular Triathlon sports event run on the precision of organized volunteers, and again the endless enthusiasm of the many spectators cannot be ignored. McDonald's and it's franchise took advantage of this unusual IRONMAN and presented the Ronald McDonald House with a sum of over DM 500,000.00. Giving is a gift appreciated by everyone. All this together is Triathlon in Roth, unmistakable and a once in a lifetime event. Thank you to all who helped, I believe we have lived our "Moment of Glory" in the Triathlon, to wich we were pleased to host.

Sincerely yours,

Detlef Kühnel

Was ist die McDonald's Kinderhilfe?

Rund 1.600 Kinder und Jugendliche erkranken jedes Jahr an schweren Krankheiten. Der Weg zur Heilung ist schwer – für die betroffenen Kinder ebenso wie für ihre Eltern. Oberstes Gebot der McDonald's Kinderhilfe ist es, schwerkranken Kindern und ihren Eltern zu helfen. Die gemeinnützige Gesellschaft baut und unterhält deshalb Ronald McDonald Häuser als "Zuhause auf Zeit" für Eltern schwerkranker Kinder, die sich in eine langwierige Behandlung, fern vom Elternhaus, begeben müssen.

Ronald McDonald Häuser existieren bereits in Gießen, Kiel, Aachen, Jena, Erlangen, München (zwei Häuser). Weitere Häuser sind zur Zeit in Hamburg und Berlin im Bau, sowie in Lübeck in Planung.

Wir stehen für die McDonald's Kinderhilfe

Neben Repräsentanten wie Dr. h.c. Annemarie Renger, Dieter Kürten, Heike Henkel und Thomas Strunz engagiert sich auch Hubert Schwarz für die McDonald's Kinderhilfe.

"Kranken Kindern zu helfen war mir immer schon wichtig. Ebenso andere zum Helfen zu motivieren. Die Arbeit mit und für die McDonald's Kinderhilfe ist für mich die ideale Verwirklichung meines Anliegens. Den Eltern bietet die gemeinnützige Organisation ein "Zuhause auf Zeit" und sorgt dafür, daß Kinder im Krankenhaus die Fürsorge der Eltern nicht vermissen müssen. Durch den Bau und Unterhalt von Ronald

McDonald Häusern unterstützt die McDonald's Kinderhilfe den Gesundungsprozeß der Kinder. Das finde ich sinnvoll und setze mich gerne dafür ein."

Wenn Sie sich engagieren möchten ...

... haben Sie die Möglichkeit, sich auf vielfältige Art und Weise für die Kinder und ihre Familien einzusetzen:

Persönliche Mitarbeit

Eine Möglichkeit der Unterstützung ist die persönliche Mitarbeit vor Ort in einem Ronald McDonald Haus.

Sachspenden

Auch Sachspenden sind immer willkommen. Für jedes neue Ronald McDonald Haus werden sowohl Einrichtungsgegenstände als auch Hausrat gebraucht.

Geldspenden

Es besteht ebenso die Möglichkeit, der McDonald's Kinderhilfe direkt Geld zu spenden. Die Spenden dienen zum Beispiel der Erneuerung schon bestehender und der Errichtung weiterer Ronald McDonald Häuser oder auch der Anschaffung modernster medizinischer Geräte für Kinderkliniken.

Thomas Hellriegel, Triathlet
„Wenn Du alles gibst, mußt Du Erholungspausen aktiv nutzen. Höchste Zeit für intensive Entspannung. Mein Tip: Accusport relax, ein Massage-Gerät im Taschenformat. Denn schnelle Hilfe ist doppelte Hilfe. Auch in kurzen Trainings- oder Wettkampfpausen.“

ACCUSPORT®
Training mit System

Das intelligente Trainingsprogramm von Accusport

Accusport lactate:

Der 60-Sekunden-Muskel-Check

Für den Trainingseffekt spielt der Lactat-Pegel im Blut eine wesentliche Rolle. Er zeigt sofort, ob der Körper über- oder unterfordert wird. Wer den Lactat-Pegel während des Trainings kontrolliert, kann Risiken reduzieren und den Trainingsrhythmus optimieren. Accusport lactate ist dabei sehr einfach anzuwenden.

Accusport relax:

Der Masseur im Taschenformat

Eine Massage fördert nicht nur das Wohlbefinden, Sie wirkt dreifach positiv: Sie aktiviert und kräftigt die Muskeln, fördert den Stoffwechsel und lindert Schmerzen. Accusport relax arbeitet nach dem bewährten TENS-Prinzip und ist ein echtes Multitalent mit 5 Programmen und variabler Intensität.

Accusport Power Belt:

Den Rücken aktiv stärken

Der Power Belt unterstützt die Wirbelsäule und entlastet die Rückenmuskulatur bei starker Beanspruchung, zur Vor- und Nachsorge bei Verletzungen. Der Power Belt gibt sicheren Halt und ist dabei komfortabel und funktionell.

Das komplette Accusport-Programm für Leistungssportler, Trainer, Fitness-Bewußte und Rehabilitation finden Sie wie gewohnt im guten Sport- und Radsporthandel, in Ihrem Fitness-Studio-Shop sowie in Apotheken und Sanitätshäusern.
